

**Natural Vitamin E & Organic Selenium
Complex**

Natural Replacement of Synthetic Vitamin E & Selenium

E-SEL PLEX

Natural Vitamin E and Organic Selenium Complex

Natural Vitamin E

Combination of Alpha, Beta, Gamma & Delta tocopherol.

Alpha, Beta, Gamma & Delta tocotrienols with bioactive selenium complex.

Synthetic Vitamin E

Chemically made alpha tocopherol

E-SEL PLEX is

Three times more anti-oxidant activity than synthetic Vitamin E.

Three times more bioavailable and bioactive than synthetic Vitamin E.

Combination of all eight isomers of tocopherols and tocotrienols exert powerful synergistic antioxidant actions.

Bioactive selenium complex absorbs more than inorganic selenium and exerts better physiological actions.

USAGE:

Optimizes cellular antioxidant status.

Exerts immune enhancing effects.

Maintains sperm morphology in male breeders.

Easily absorbed, less excreted, highly bio-available.

MIXING RATE : 1:1 replacement with synthetic vitamin E (50%)

PRESENTATION : 5 kg. & 25 kg. HDPE Bag
